PERMALOCK

The PermaLock enables you to create a sturdy connection for everything you would want to attach to the Permavoid 85S unit. The PermaLock is inserted into the unit at any of the openings and secured with a bayonet lock. The PermaLock houses a standard 8 mm (5/16") steel thread, in which bolts can be screwed to attach for example fencing, solar panel systems or wooden decks to the Permavoid subbase.

Applications

Connecting element / "plug-in" for the Permavoid 85S unit.

GENERAL	
Brand	Permavoid
Product name	PermaLock
Item nr.	3510005
Color	White
Material	Glass fibre reinforced Polypropene
Material description	Frost resistant, hydrofoob, inert, acid and hydrocarbon resistant, impervious to bacterial and fungal growth
Recycled/Virgin	Virgin
Lifespan	> 50 years

* Bolts not included.

PERMALOCK

SIZE

Size
35 x 47 x 79 mm
(l x w x h, approx.)

Weight
approx. 30 g

Color
White

Coefficient of Lineair Thermal Expansion
0,00003 m/m K

PACKAGING

Packaging
Box, 500 pieces
390 x 290 x 250 mm
(l x w x h)

Pallet size
1.200 x 800 x 1.700 mm
(l x w x h)

Pallet capacity
24 boxes, 12.000 pieces

Pallet total weight
300 kg

Storage instruction
None

HS Code
39269097
